APPLICATION PACKAGE

Your application package includes three forms that must be filled out:

The Application Form - Please mark clearly the session or sessions you wish to attend. Make sure that the contact numbers are filled out and written clearly, including area codes. Please fill out the form completely, even if you have attended our program for many years - the more information we have the better we are able to serve you. Please make sure the application has been signed, with a 24 hour emergency number included.

The Medical Form - Please fill out all information clearly. You may add a "see attached" for a listing of medications, but we must know the medication, dosage, and time of day for each medication given. If you have a current (within one year of camp attendance) physical you may send that in lieu of signing our form, but our form must still be completely filled out and sent along with the physical as it includes information not on most annual physical forms. The medical form may be sent after the application form, but it is important that we receive this form before your arrival at camp. **NO VACATIONER MAY ATTEND CAMP WITHOUT A CURRENT PHYSICAL FORM ON FILE.**

The Billing Form - Please fill out all required information so that we are able to bill properly. We advise you to communicate with your base service coordinator and ensure that funds are available for your requested stay. If payment in full accompanies the application it is not necessary to fill out this form.

Upon receipt of your application you will be sent a copy of the bill as a confirmation letter . About ten days before your scheduled session you will get a letter with transportation details, two packing lists, and information regarding medication.

DEPOSITS

A deposit of \$100.00 OR an authorization letter must accompany all applications. If an application is withdrawn anytime up to two weeks before a session begins, all funds paid to Eagle Springs will be refunded minus a \$25 administrative fee upon receipt of a letter stating the reason for withdrawal. If it is more convenient, funds can be held as a credit to use for a later session or a Country Weekend and no administrative fee will be charged. If you withdraw within two weeks of your scheduled session, all funds minus the \$100 deposit will be refunded

RESERVATIONS

We will take phone reservations, but these must be followed up immediately with a letter in writing and an application within two weeks. We will stop taking reservations at the end of May.
